# IELTS

TISAT provides the best offline and online coaching IELTS training. We offer quality learning experiences for language learners of all levels. From beginner to advanced, we have the perfect course for you. With our experienced instructors, you'll excel the test and have a successful career.

Testing System or IELTS is an exam formulated by Cambridge University and is conducted in India by IDP India. It assesses a candidate's proficiency in the English language through 4 modules; Listening, Reading, Writing and Speaking. Through two different streams of General Training and Academic tests, the IELTS evaluates a candidate looking for migration, professional recruitment and studies.

IELTS is accepted for the following purposes:

## **Study Abroad**

Students planning for overseas education need to take an English language test that approves their proficiency. IELTS IDP India helps you gain admission to institutions abroad.

## **Work Abroad**

IELTS is the world's top English language evaluation, acknowledged by employers and professional bodies from English-speaking countries globally and also some universities in non-English speaking countries require and IELTS score, where courses are taught in English.

## **Immigration**

If you are planning to immigrate to an English speaking country, it is mandatory for you to take IELTS. Migration authorities in Australia, Canada, New Zealand, US, and The United Kingdom etc. use IELTS to process immigration.

# OET

The OET exam is an exclusive English language test that has been designed for health care professionals. Since 2013, the OET test has been conducted by CBLA or Cambridge Boxhill Language Assessment which is a venture between Cambridge English and Boxhill Institute. OET exam has been specifically designed for 12 healthcare professions including Occupational Therapy, Dentistry, Nursing, Radiography, Veterinary Science, Medicine, Speech Pathology, Physiotherapy, Dietetics, Podiatry, Pharmacy, and Optometry. Healthcare professionals who are looking to work or study in the healthcare sector in Australia, Canada, Ireland, Malta, New Zealand, Spain, Ukraine, United Kingdom, and the United States of America are required to apply for the OET test.

Tisat Institution is popular for its highest success ratio in OET exams. With years of experience and constant research on the test format, we have decoded the exam pattern and developed the best learning methodology which is proven successful every time our results come out. Our trainers are the best with their passion for knowledge sharing and enjoy the reputation of making winners.
